- Working closely with the head-greenkeeper in planning and supervising the daily operations of the golf course, ensuring highest quality standards;
- Support the head-greenkeeper in leading and motivating the team, deputising for them in their absence, ensuring that all tasks are completed to a high standard and in accordance with health and safety practices;
- Attend required training sessions and comply with company policies;
- Perform any other duties reasonably requested by management.

The ideal candidate should have these characteristics:

- Agricultural technical diploma and/or superintendent certification;
- Proven experience of at least 3 years in a responsible position at another Golf;
- Adequate leadership skills and ability to effectively motivate and manage an established team;
- Expertise in managing irrigation systems and fleet management;
- Experience in the use of irrigation and course management software;
- Valid driving licence, ideally also certified to operate sprayers;
- Knowledge of the English language;
- Neat appearance and courteous, helpful manner;
- Positive and flexible approach to work.

The job offer includes:

- Salary commensurate with qualifications and experience;
- Annual bonus upon achievement of targets;
- Long-term employment contract;
- Proposal of a continuous training plan;
- Support in finding accommodation;
- Dynamic working environment in a growing Golf Club;
- Possible additional benefits to be agreed upon.

The employment relationship will start in March 2024 .
