Il Picciolo Golf Club

### IL PICCIOLO GOLF

The 18-hole golf course at Il Picciolo captivates with its undulating fairways, cleverly interspersed with water and sand hazards. The breathtaking landscape is particularly impressive: the emerald green fairways nestle into the deep black lava rock, ensuring an incomparable golfing experience. The 11th hole is particularly challenging, a narrow

par 4 measuring 387 meters in length, with water on the right and an out of bounds area on the left of the fairway. Il Picciolo has also established itself as a renowned venue for professional tournaments: the course has hosted the Ladies European Tour four times and the European Seniors Tour once.
